**MEMORANDUM OF AGREEMENT
BETWEEN THE
COUNTY OF SAN DIEGO
AND THE
DISTRICT ATTORNEY INVESTIGATORS ASSOCIATION**

**DISTRICT ATTORNEY INVESTIGATORS (DI) UNIT
AND
DISTRICT ATTORNEY INVESTIGATORS MIDDLE-MANAGEMENT (DM) UNIT**

SEPTEMBER 22, 2000 - JUNE 21, 2007

ARTICLE 1. PREAMBLE

THIS MEMORANDUM OF AGREEMENT is entered into by the County of San Diego, said political subdivision hereafter designated as "County" and the District Attorney Investigators Association, hereafter designated as "Association" as the mutual recommendation to the Board of Supervisors of the County of San Diego of those wages, hours, and conditions of employment which are to be in effect during the period from 8:00 a.m. September 22, 2000 through 5:00 p.m. June 21, 2007, for those employees working in representation units referred to in Article 2, Section 1 hereof, subject to the provisions in Article 21, Implementation.

ARTICLE 2. ASSOCIATION RIGHTS

Section 1. Recognition

Pursuant to the provisions of the Labor Relations Ordinance of the County of San Diego and applicable State law, the District Attorney Investigators Association was certified on April 3, 1980 as the majority representative of County employees in the District Attorney Investigators (DI and DM) Units.

The County of San Diego recognizes the Association as the sole and exclusive representative for all classes assigned to each of the following bargaining units (as listed in the Appendix) as well as such classes as may be added to these units:

District Attorney Investigators

District Attorney Investigators Middle Management

The provisions of this Agreement shall be applicable only to employees in classes in the bargaining units above listed.

ARTICLE 2. ASSOCIATION RIGHTS (Cont'd)

Section 2. Payroll Deduction and Association Dues

In accordance with the rules and regulations of the Auditor/Controller, approved by the Board of Supervisors, it is agreed that Association dues and such other deductions as may be properly requested and lawfully permitted shall be deducted by County from the salary of each employee covered hereby who files with the County a written authorization requesting that such deductions be made. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Association by the County.

It is not the intent of this Article to alter the current practice of remitting dues and other deductions to the Association as soon as possible after they have been withheld from salaries of employees.

The County will distribute to each new employee entering the unit the following written information:

"The District Attorney Investigators Association, under the provisions of the San Diego County Labor Relations Ordinance, has been declared the bargaining representative for your job classification concerning wages, hours and working conditions that result from meeting and conferring in good faith between the County and the Association. These wages and benefits are contained in the mutual agreement, copies of which will be made available to you by the Association.

An Association representative, during non-duty hours may request to meet with you personally to tell you about the Association in its role as the recognized certified representative for your job classification. On the basis of the evaluations you make, the decision is yours."

Section 3. Association Access

- A. Authorized Association representatives may be granted access to work locations including all hospital and health care facilities, areas utilized for patient care, treatment, and general work, in which employees covered hereby are employed, for the purpose of conducting grievance investigations and working conditions.
- B. Association representatives will comply with the regulations established in this Article. Association representatives shall not interfere with the work operations of any Department or District of the County. Authorized Association representatives desiring such access to work locations shall first request entrance from the appropriate County representative at which time the authorized representative shall

ARTICLE 2. ASSOCIATION RIGHTS (Cont'd)

inform said County representative of the purpose of the visit. Association representative shall either telephone the appropriate County representative responsible for the district, division or yard, or shall personally contact such County representative upon entering any work location under his or her supervision.

- C. Said County representative may deny access to a work location if, in his or her judgment, it is deemed that a visit will unduly interfere with the operations of the department or facility thereof. If access is denied, the Association representative shall be informed when access will be made available. Such access shall not be more than twenty-four (24) hours, excluding Saturdays, Sundays, and legal holidays, after the time of the Association representative's request, unless otherwise mutually agreed to.
- D. Representatives have the right to meet with employees during coffee, rest, or lunch breaks at County facilities as may be available.
- E. The Association shall notify the Labor Relations Office within seven (7) days of any change of authorized representatives. Access to work locations hereunder will be granted only to representatives on the current list.

Section 4. Employee Representatives

A. Purpose

The County recognizes the need and affirms the right of the Association to designate employee representatives from the employees in the bargaining unit. It is agreed that the Association in appointing such employee representation does so for the purpose of promoting an effective relationship between the County administration and employees by helping to settle problems at the lowest level of supervision.

B. Role of Employee Representative and Supervisor

The employee representative recognizes the fact that the supervisor is the key person in the department and, as such, is responsible to higher management for the quality and quantity of the work. The employee representative understands that the employee representative function does not relieve the representative from conforming to all rules of conduct and standards of performance established by law, regulation, County or department policy or Memorandum of Agreement.

C. Selection of Employee Representative

ARTICLE 2. ASSOCIATION RIGHTS (Cont'd)

The location and number of representatives shall be mutually agreed upon by the appointing authority and the Association. The Association shall reserve the right to designate the method of selection of employee representatives. The Association shall notify the appointing authority in writing of the names of the employee representatives and the area they represent. The appointing authority will be notified in writing by the Association of any subsequent changes regarding employee representatives and who they are replacing.

D. Duties and Responsibilities of Employee Representatives

The following functions are understood to constitute the complete duties and responsibilities of employee representatives.

1. After obtaining supervisor permission, employee representatives will be permitted to leave their normal work area during on-duty time not to exceed four (4) hours per week in order to assist in presentation of a grievance. The representative's workload may be adjusted to the extent the appointing authority feels it is appropriate. To obtain permission to investigate a grievance on-duty time, the representative shall advise the supervisor of the grievant of his/her investigation of the facts and the general nature of the grievance. The employee is permitted to discuss the problem with all employees immediately concerned and, if appropriate, to attempt to achieve settlement with the supervisory personnel involved. Agencies, wards, clients, detainees and outside interested parties will not be contacted by employee representatives as part of the grievance process. The employee may be represented by an employee representative at such time as a grievance is reduced to writing.
2. If, in the judgment of the supervisor, because of the necessity of maintaining adequate level of services, permission cannot be granted immediately to the employee representative in order to present or investigate a grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the employee representative was denied permission.

It is agreed that the County shall not attempt to transfer any employee representative of the Association for reasons associated with his/her duties as a representative.

E. Limitations on Time Off

ARTICLE 2. ASSOCIATION RIGHTS (Cont'd)

Employee representatives shall not be permitted time off from their work assignments for the purpose of conducting general Association business.

F. Handling Grievances

1. When requested by an employee, an employee representative may investigate any alleged grievance in his or her assigned area and assist in its preparation and presentation. The employee representative shall encourage the employee to discuss a problem informally with his/her supervisor prior to filing a formal grievance.
2. After notifying and receiving approval of his/her immediate supervisor, an employee representative shall be allowed reasonable time off during working hours (without loss of time or pay) to investigate, prepare and present such grievances. The immediate supervisor will authorize the employee representative to leave his or her work unless compelling circumstances require refusal of such permission, in which case, the immediate supervisor shall inform the employee representative of the reasons for the denial and establish an alternate time when the employee representative can reasonably be expected to be released from his or her work assignment.
3. When an employee representative desires to contact an employee at his/her work location, the employee representative shall first contact the immediate supervisor of that employee, advise him/her of the nature of the business, and obtain the permission to meet with the employee. The immediate supervisor will make the employee available promptly unless compelling circumstances prohibit the employee's availability, in which case the supervisor will notify the employee representative when he/she can reasonably expect to contact the employee. Where this prohibition extends beyond one (1) work day, the time limits of the grievance procedure shall be extended for the length of the delay.
4. An employee representative's interview or discussions with an employee on County time will be handled expeditiously.

Section 5. Use of County Facilities

County facilities may be made available for use by employees and the Association. Such use shall not occur during regular working hours other than the lunch period.

Application for such use shall be made to the management person under whose control the facility is placed. Meetings of an authorized representative of the Association and a group of employees shall not be permitted during working hours excepting the lunch hours.

This payment is made unconditionally to all eligible employees and is not related to the quality and quantity of the employee's past or future service. This payment shall be made on December 8, 2000.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES

This Article establishes the County standard for hours of work.

Biweekly compensation prescribed in the Appendix is based on a full-time schedule of eighty (80) working hours in each biweekly pay period.

Section 1. Hours of Work

A. Work Period

The standard work period is fourteen (14) consecutive days within which is included four (4) days of rest in a fourteen (14) consecutive days period. The days of rest are each to be of two (2) consecutive days. This work period shall be eighty (80) hours in fourteen (14) consecutive days.

Payroll Period: The payroll period begins on the Friday which is the first day of the pay period and ends on the Thursday which is the last day of the pay period, and consists of ten (10) standard work days and four (4) days of rest during the fourteen (14) consecutive day payroll period.

B. Standard Work Day

The standard work day shall be eight (8) hours of work in a twenty-four (24) hour day for a total of ten (10) standard work days in a fourteen (14) consecutive day work period. Work days which deviate from this standard are considered as "non-standard" work days.

other requirements upon fourteen (14) calendar days notice to the affected employee.

D. Job-Sharing/Part-Time Requests

Employees may request to participate in job-sharing or become permanent part-time employees. Such requests are to be presented to the employee's immediate supervisor and the appointing authority. The Department of Human Resources voluntary transfer list may also be utilized by employees, especially those interested in job-sharing or permanent part-time positions in other departments.

Section 2. Overtime Work and Compensation

- A. This Section is intended only to provide the basis for the calculation of and payment for overtime and shall not be construed as a guarantee of hours of work per day or per pay period.
- B. Full-time employees' overtime is authorized or ordered work, actually worked by an employee, which is in excess of the employee's regularly scheduled work period. No full-time employee will be paid overtime unless he/she works more than eighty (80) hours in any work period. When a mutually-agreeable irregular work schedule is adopted as the employee's routine work schedule, and such schedule results in the employee working more, or less, than forty (40) hours in a week, but which schedule totals eighty (80) hours in a biweekly pay period, the hours worked in the weeks which exceed forty (40) hours shall not be considered overtime. When the appointing authority establishes a work schedule which results in the employee working more than eighty (80) hours in a work period, the hours actually worked in the work period which exceed eighty (80) hours but are less than eighty-five (85) hours shall be considered straight time overtime; hours actually worked in the work period which exceed eighty-five (85) hours shall be considered time and one-half overtime and shall be paid at time and one-half.

Permanent part-time employees' overtime is authorized or ordered work, actually worked by an employee, which is in excess of eighty (80) hours per work period. When a mutually-agreeable irregular work schedule is adopted as the employee's routine work schedule, and such schedule results in the employee working more, or less, than forty (40) hours in a week, but which schedule totals eighty (80) hours in a biweekly pay period, the hours worked in the weeks which exceed forty (40) hours shall not be considered overtime.

When the appointing authority establishes a work schedule which results in the employee working more than eighty (80) hours in a work period, the hours actually worked in the work period which exceed eighty hours shall be considered overtime.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

Prior authorization of the employee's immediate supervisor shall be required to the extent feasible prior to overtime work. Absent prior authorization to work overtime, the employee shall provide justification for:

1. not receiving prior authorization, and
2. the need for overtime work.

Paid sick leave, bereavement leave, vacation, holidays, compensatory time and any other paid time off shall be counted as time worked toward the regularly scheduled work period when establishing eligibility for overtime compensation.

Computation of overtime shall be based on the employee's regular rate of pay. This hourly rate shall include the base rate for the employee's classification plus all differentials or bonus rates to which the employee would be entitled for the overtime work performed.

Compensation is defined as either cash payment or compensatory time off, or a combination of cash payment and compensatory time off, in accordance with the overtime code established for the employee's class. Employees shall have their overtime hours computed as follows:

Actual work performed in excess of eighty (80) hours to a maximum of eighty-five (85) hours in a work period shall be compensated with cash or compensatory time off at a straight time rate.

1. Code "D" Employees are eligible for cash or compensatory time off at one and one-half (1½) time rate for each hour of overtime actually worked over eighty-five (85) hours in a work period.
2. All employees are eligible for a minimum of three (3) hours call-back overtime at time and one-half cash (4½ hour pay).

As provided for each classification in the Appendix of this Agreement.

The decision to pay for overtime worked in cash or compensatory time off shall be at the discretion of the District Attorney.

The appointing authority for classes designated DI or DM in the Appendix to this Agreement may approve the payment of cash in lieu of compensatory time off at the regular hourly rate for the overtime hours actually worked in the work period which exceed eighty (80) hours but are less than eighty-five (85) hours for any portion of

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

an employee's accumulated compensatory time that has been on the employee's accumulated leave balance for more than thirty (30) days.

C. Accrual of Compensatory Time Off

When an employee is allowed to accumulate compensatory time off, such accrual shall be limited to a maximum of one hundred twenty (120) hours at the beginning of a biweekly pay period. If an employee has already accumulated one hundred twenty (120) hours of compensatory time off, the District Attorney has the option to allow an employee to accumulate compensatory time off in excess of one hundred twenty (120) hours to but not more than a maximum of one hundred sixty (160) hours accumulated compensatory time off. Employees, who have accumulated compensatory time off balances that exceed one hundred sixty (160) hours, shall be paid cash for overtime hours actually worked.

Employee will be given the opportunity to take off accumulated compensatory time before exceeding one hundred sixty (160) hours or having their accumulation reduced. When granting compensatory time off, the appointing authority will give consideration to the desires of the employee.

An employee shall have fifteen (15) working days advance notice before being required to take compensatory time off. This fifteen (15) day notice shall not apply to departments headed by elected appointing authorities unless approved by said elected appointing authorities.

Employees who are laid off shall receive compensation for unused compensatory time earned after April 15, 1986 for time actually worked. (See Article 10, Section 4 (I) - "Cash in lieu of Compensatory Time Off"). Such compensation shall not exceed one hundred sixty (160) hours.

Section 3. Call-Back Work

- A. Call-back work is work required of an employee who, following completion of the employee's work day and departure from the employee's work site, is ordered to report back to duty to perform necessary work. To qualify for this call-back provision, an employee must leave the place from which the employee is called and actually report to a work site. Neither changes in a shift or work schedule when at least fifteen (15) hours advance notice is given, nor service performed on a regular standby shift, or from a voluntary listing on an available list (Section 5), shall constitute call-back work. An employee who is called back, as defined above, shall receive a minimum of three (3) hours time and one-half pay. Actual work performed in excess of three (3) hours and not part of a regular work shift shall be compensated as overtime if the employee has actually worked more than eighty

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

(80) hours inclusive of call-back work, in the work period. Upon mutual agreement between the employee and the appointing authority, hours actually worked as call-back may be used to delay the start of the next work day.

- B. An employee contacted by the department during his/her off duty hours and required to perform services without leaving the place of contact, shall receive compensation for such time worked in the same manner such employees receive scheduled overtime compensation. To be eligible for such compensation, employees must be authorized and ordered by the department to perform such services.
- C. Call-back shall also include an order to appear before a court where the employee is representing the County and not on his/her regular shift.
- D. Employees called back to duty shall, except for emergency situations, be given eight (8) hours rest in the twenty-four (24) hour period which began at the start of their last normal shift. An employee retiring from County service may be granted a terminal vacation in lieu of being paid its monetary value. An employee on terminal vacation shall not earn any vacation credit.

When an employee is to be paid or credited the monetary value of vacation, such compensation shall be made on the basis of the employee's basic rate of pay at that time plus those applicable premiums or bonuses which are being paid as part of the employee's hourly rate at the time of separation exclusive of any biweekly fixed dollar amount premiums and any other premiums specifically identified as excluded from terminal payout.

If such a statement is inadvertently filed before all County appeal rights are exhausted, the employee may request sealing of the applicable portions of his/her file by the Civil Service Commission. The request for sealing may be made after a decision on the appeal has been rendered. All such statements on which filing is delayed pending completion of the County appeal process, shall be filed upon the rendering of a decision, if such decision

upholds the statement or charges against the employee in whole or, if upheld in part, it shall be filed as amended.

The employee shall acknowledge reading such material by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that the employee has read the material to be filed and does not necessarily indicate agreement with its content. If the employee refuses to initial, the supervisor will sign, noting the refusal of the employee to initial.

Disciplinary action includes a letter of warning, written reprimand, suspension, demotion, or discharge. If the department takes disciplinary action against an employee, the department, upon request of the employee, will furnish the employee a copy of all documents or written statements used by the department as a basis for its action.

All correspondence of commendation shall be entered as a permanent part of an employee's personnel file, except where they are shown to be frivolous. In that case, they shall be returned to the employee.

Section 2. Dismissal During Probation

Probationary employees will be given as much notice as is possible of their dismissal during probation either through the performance report or other written notification. In the event that emergency circumstances exist in which the immediate removal of an employee is essential to avert harm to the County or to the public, or in which the employee has threatened harm to the County or public, the appointing authority may remove the employee immediately.

Section 3. Legal Representation

Upon request of an employee and subject to any limitations provided by law, the County will provide for the defense of any civil action or proceeding initiated against the employee by a person or entity other than the County in a court of competent jurisdiction on account of any act or omission occurring within the course and scope of his/her employment as an employee of the County.

Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in the County pursuant to the provisions of the California Government Code, now and as amended or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption or actual malice, or where the provision of such defense would create a conflict of interest between the County and the employee.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

Nothing herein shall be construed to grant to any employee any rights or privileges in addition to those provided in the said Government Code.

Section 4. Layoff Procedure

A. General

When the Board of Supervisors determines it is necessary through lack of work or funds, to reduce the number of employees in any class covered by this Agreement, the appointing authority of the department concerned shall notify the Director in writing of the number of employees to be laid off, the class title, and the date the employees are to be laid off. Upon receipt of such notice, the Director shall give to the appointing authority, the names of the employees who should be first laid off in accordance with this procedure.

B. Exceptions

1. Suborganizational Layoff. When the appointing authority so requests, the Civil Service Commission, upon finding that it is in the public interest, may authorize an appointing authority to lay off employees within a division, office, section, institution or other subdivision of an office, department or institution instead of laying off employees from the office, department or institution as a whole. In such case, the foregoing provisions shall be applied to the division, office, section, institution or other subdivisions within which the Civil Service Commission has authorized the layoff.
2. Required Specialized Skills. When the appointing authority so requests, employees who perform required services and possess specialized knowledge, and/or skill not possessed by other employees in the Department and which are necessary to the operation of the Department, may be excepted from layoff, as authorized by the Civil Service Commission pursuant to a finding that such exception from layoff is in the public interest.

C. Notice of Layoff

1. DHR Notice to Department and to Association. Prior to the occurrence of a layoff, the Director, shall provide written notice to the Association when the Department is notified of any employees covered by this Agreement, who are identified for layoff. This notice shall list all persons in the affected class including the number, class title, seniority rating, and date on which affected employees are to be laid off.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

2. Appointing Authority Notice to Employees. Upon receipt of the layoff list, the appointing authority shall prepare and serve a Notice of Layoff. The notice shall contain the following information:
 - a. The effective date of layoff;
 - b. The seniority rating of the employee computed by the Director;
 - c. The seniority ranking of the employee on the layoff list for the particular class involved in the layoff;

 - g. A statement that the employee has the opportunity to contact the Director or designated representative no later than five (5) business days after receipt of the Notice of Layoff to inspect the records relating to the computation of the layoff list including the employee's seniority rating and ranking, and to meet with the Director or designated representative regarding any corrections related to such list, rating, or ranking. The employee shall be informed that failure to contact or meet with the Director or designated representative within the prescribed period will be deemed a waiver of any objections that might have been raised regarding the list, rating, or ranking;
 - h. A statement that the layoff will be effective on the date indicated unless the appointing authority advises the employee in writing otherwise prior to the effective date and time set forth on the notice;
 - i. A copy of provisions of Rule XIV of the Rules pertaining to layoff.

D. Approval and Service of Notice

The Notice of Layoff shall be approved by County Counsel prior to its distribution to any employee. The Notice of Layoff shall be served, either personally or by mail, on an employee at least fifteen (15) calendar days prior to the effective date of the layoff.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

E. Order of Layoff

Except for permanent employees who volunteer to be laid off, the order of layoff within the class and in the Department, shall be in the following order (the appointing authority may lay off a volunteer for layoff at any point in this order):

1. Provisional Employee. Definition: An employee who has not completed a probationary period and who has not been appointed to his/her present class from an eligible list.
2. Certified Temporary Employee. Definition: An employee who has not completed a probationary period and has been temporarily appointed from an eligible list for a specified period.
3. Probationary Employee. Definition: An employee who has been appointed to a permanent position from an eligible list and is currently serving, but who has never completed, a probationary period.
4. Permanent Employee. Definition: An employee who has completed a probationary period or a permanent employee who is serving a probationary period in the same or a different class.

Permanent employees shall be laid off according to the layoff ratings, lowest ratings first. The order of layoff within categories 1, 2, and 3, and for permanent employees with equal layoff ratings, shall be at the appointing authority's discretion. Employees on leave shall be laid off or demoted in lieu of layoff as if they were active employees.

F. Seniority

Seniority is the employee's total hours of continuous County service. All service of a blanketed-in employee shall, for the period prior to classification to the position, be credited for seniority purposes whether or not it was continuous. All seniority is lost upon resignation or dismissal. Any employee who has gained permanent status and is laid off, shall, if reinstated, regain his/her seniority credit possessed at the time he/she was laid off.

G. Calculation of Layoff Rating

1. Continuous-service-date to May 23, 1986 ("historical" layoff rating). The purpose of this "historical" layoff rating is to calculate employees' service credit for purposes of the past to the date of the last full pay period May 9, 1986. These points will constitute employee's layoff rating for the past, to

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

which the points calculated for prospective implementation (standard layoff rating) will be added as provided below:

Historical layoff rating: One (1) point for each hour of continuous (unbroken) service from last date employee was hired into the classified service (80 points for each full biweekly pay period).

2. Standard layoff rating. One (1) point for each hour of paid service (excludes all unpaid leaves or periods of suspension but includes short-term voluntary work furlough), after the day specified in (1) above.
3. Formula for combining historical and standard layoff ratings. Employees in classes identified for layoff shall have their seniority calculated as follows to combine historical and standards ratings:

Total historical ratings: _____ Hrs.
Plus: standard rating: _____ Hrs.
Total: _____ Hrs/Points

The total of these two (2) ratings shall constitute the employee's official layoff rating.

H. Demotion in Lieu of Layoff

The appointing authority shall determine by class, subject to review by the Director, whether demotion shall be afforded employees as an option in lieu of layoff.

At the request of the appointing authority, a permanent employee shall, in lieu of layoff, be afforded the option of demotion within the same department to a position in a lower class, provided that no such demotion shall in turn require the layoff or demotion from such lower class of any employee whose layoff rating is at least as high as that of the demoting employee. A probationary employee may be afforded the opportunity to accept a demotion within the same department to a position in a lower class provided no such demotion shall in turn require the layoff of any employee in the lower class. Such probationer shall not become permanent in the lower class by this action except by completing a new full probation period in such lower class.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

Employees shall be on the reinstatement list for two (2) years except that an employee who three (3) times refuses an offer of reinstatement to the class from which he/she was laid off, or to a class of equal status, or fails to respond to an offer of reinstatement, shall have his/her name removed from the reinstatement list following said refusal. In addition, if the employee on the reinstatement list is appointed to a class from which he/she was laid off, or to a different class of equal or greater status than the reinstatement list class, then his/her name shall be removed from the reinstatement list. An employee who accepts an offer of reinstatement to the class from which he/she was laid off shall also be removed from the reinstatement list upon the date of reinstatement. The placement on the reinstatement list shall be determined in the same manner as for the order of layoff except in the inverse order thereof.

Employees on the reinstatement list shall have the first right of reinstatement to any vacancies in any department for the class for which he/she is eligible for such reinstatement, subject to the following:

1. A new probationary period shall not be required of an employee reinstated to a department from which he/she was laid off.
2. A new probationary period shall be required of an employee reinstated to a different department than that from which he/she was laid off, except that failure of probation shall return the employee to the reinstatement list. In no event shall such failure of probation extend the employee's placement on the reinstatement list beyond two (2) years from the date of placement on it.
3. A reinstated employee will regain his/her seniority credit possessed at the time he/she was laid off, which shall count for purposes of vacation accrual rate and step increase. If a hazard does exist, the supervisor shall attempt to correct the conditions as soon as possible.

If the supervisor fails to respond, the employee may notify his/her employee representative. The employee representative may report all safety hazards in writing to the County Safety Officer. The Safety Office shall promptly investigate all such reports and recommend corrective measures where appropriate to the Department Head.

Upon request, the County and the Association agree to form a joint committee of not more than three (3) members of the Association and not more than three (3) members of County management. The committee shall meet upon the request and submission of an agenda by the Association. ARTICLE 11. GRIEVANCE PROCEDURE (Cont'd)

H. Advisory Arbitration of Grievances
